

Title	Lev	Octaves	Arranger/Compose	Publisher	Catalog #
-------	-----	---------	------------------	-----------	-----------

During the times of Covid, this list was comprised from lists of music given to us from Arrangers/Composers of music that does not have bell change. If there is no comment or checkmark on the tables or no tables columns for particular pieces, it is because it was not stated by the Arranger/Composer. A separate list will be available for 6 to 18 bell music.

2 octave music can be used with 7 ringers plus the G6 and 2-3 Octave music can be used with 7 to 11 Ringers.

This list was originated by Karen Carlisle and Carol Scheel www.heitzhandbells.com

If you would like to add to the list please contact Carol Scheel or Karen Carlisle kdingaling@hotmail.com
